**September 2012**

**In Attendance:** Bill R, Ashley, Justin, David, Eric, Bill B, Marcus

### **Motions**

Motion to adopt new email server to replace gmail service(see note below). Seconded.  
Passed unanimously.

### **Actions**

Justin to provide David with BRC sponsor pack.  
Bill B and Eric to deliver report for Pct 3  
Plan Pct 3 and Board Anthills trail walk and introduction before scheduling REI walk

### **Major Topics**

GHORBA invited to discuss details of Fort Bend County master plan by Joe Chesser.  
Meeting with Robert Rayburn from the BPA allowed sharing of common goals regarding mountain biking for energy corridor. Meeting may lead to Anthills trail walk to review volunteer work done.

Following two successful meetings we need to begin conversations with other Houston organizations.

GHORBA to officially support Bayou Greenways Initiative while maintaining our commitment to natural surface trails.

Trails Clinic:

18 Attendees

Attendees include members, land managers, folks from BPA and non-members  
Positive feedback from attendees

New trail was built to add an alternative route when lower trails are wet.

BRC: Race responsibilities to be shared between Raf, David and Mike

Initial action is to contact potential sponsors

Email: With current GMAIL service we are limited to 500 emails per day. As membership grows and so our email recipients we need a service to meet GHORBA requirements.

New solution will allow for 100000 emails per month for \$30 per month.

### **Trails**

1350 volunteer hours completed, up 10% from last year.

**Huntsville:** Texas Parks and Wildlife to review plans for Alligator Branch Creek bridge

**Memorial:** Green Trail now open, but will be closed once teams continue work
